

IPPC Teacher Appreciation and School Supply Drive 4/4/22-4/22/22

IPPC is partnering with IPSD 204 again this year for our annual Teacher Appreciation and School Supply Drive!!

This program is designed to help families say “Thank You” to 204 teachers and staff members through the purchase of gift cards that are given out during Teacher Appreciation Week and to get school supplies to our under-resourced students to help them be as successful as possible! 5 gift card options and cash donations can be purchased through our Memberhub store using the link below. Feel free to leave a personal message for the teacher or staff member to be included in the gift card delivery!

\$20 of the \$25 purchase goes to the gift card which will be given to teachers and staff throughout the district during Teacher Appreciation Week! The other \$5 goes to the School Supply Program which will lead to under-resourced students getting the school supplies that are needed the most! Thank you in advance for your help in making this program a success!!
