DISTRICT 204 BUILDING RENTAL PROGRAM

Indian Prairie School District 204 believes an important component of a public school system is the use of district facilities by appropriate community groups. The first priority of using these facilities is for safe, efficient delivery of academic and extra-curricular activities for our students. It is also important to ensure the security of our students, staff and guests while protecting the building and equipment provided by our citizens. The COVID-19 pandemic has caused us to take additional precautions. This includes but is not limited to prohibiting all rentals from occurring until the school district determines it is safe to do so. Therefore, the following guidelines have been established.

Each year a new application MUST be submitted. Please request only what you need to support your program. **Rental groups from the previous year, will be given priority for those facilities, days of the week and times for which they actually used during the 2019-20 school year.** Permits will then be processed after adjusting for those dates when our schools are not available. If you need more dates than you were approved for last year, a separate application for your additional needs must be submitted. (See page #3 for deadlines.) Canceling large portions of your requested dates after the fact will affect your priority status in the following year.

When submitting the rental application, return Outdoor - Use Pages 1 thru 6 ONLY. Please be sure all six pages are filled out completely, or application may not be processed. Keep the Guideline pages for future reference; do not submit them with your Application. If your rental request is accepted, you must follow the guidelines on these pages.

WHAT OUTDOOR FACILITIES MAY I RENT?

PREPARING and Changing YOUR RENTAL APPLICATION

Please follow these instructions when submitting an application. If not, it may be returned.

- 1) One building rental form is to be used for:
 - a) One event, held on one day/time in one building (i.e. Pine Tree Subdivision Homeowners Meeting; 8:00 PM; Hill Middle School; October 10, 2019)
 - b) One repeating event, held Monday - Friday, at the same repeating time in one building (i.e. Suburban Youth Basketball at May Watts School: List dates on page 3 of application.)
 - c) One repeating event, held Saturday and/or Sunday, at the same repeating time in one building. (i.e. Soccer, Saturday and Sunday, 8:00 AM – 12:00 PM at Crone gym. List dates on page 3.)
- 2) You must return completed application pages: 1 thru 4. **Do not return copy of the Guidelines. After a Permit/Reservation has been established and is still current, you can email 204-buildingrentals@ipsd.org to request changes, cancellations, or to add dates/rooms to that Permit. INCLUDE your RESERVATION No. and allow 7 working days to process the request.** You will receive an email regarding your request.
- 3) Additional rental forms are available online at www.ipsd.org under the Building Operations department. Click link to 'Building Rental Information'.
- 4) Complete the 4 page Application using only capital letters, black ink, and one letter per box.
- 5) Page 2 must be filled out **completely, signed** and returned with the application along with your Certificate of Insurance (“COI”). **Include your Certificate of Insurance (“COI”)**, see page 6 and 7 for specific requirements.

- 6) **For new Groups** to District 204, a compliant Certificate of Insurance (COI) **is required** with the application. Failure of Renter to provide required/renewal Certificate of Insurance does not release renter from confirmed rental room & personnel charges. Renter is obligated to pay for a confirmed booking when renter fails to provide a compliant COI.

A compliant COI must be on file for each rental date. Renter is responsible to provide a Renewal Certificate no less than 15 days before Expiration Date of COI on file at District. Failure may result in cancellation and billing of all dates not covered by a compliant Certification of Insurance.

- 7) The percentage of participant residency will be used to prioritize rental requests. This information is required on Application Page 2.
- 8) **All** information must be filled out on every application.
- 9) Please enter days accurately, and only those days you know you will use. Canceling large portions of your requested dates after Confirmation will affect your priority status in the following year. Holidays may be requested in some circumstances and will incur Custodial and other Personnel Overtime costs. All rentals are contingent upon availability of appropriate district personnel.
- 10) Please allow at least seven (7) school days for your application to be processed and a confirmation received. Applications received less than (7) school days before the requested rental date(s), may not be filled. Time is needed to evaluate and coordinate facility and personnel availability.
- 11) Renter's advertising **MUST** include statement: **"This program / activity is neither endorsed nor sponsored by Indian Prairie School District 204"**. Rental activities will not be reflected on the school's calendar.
- 12) Indian Prairie School District will NOT distribute paper copies of a rental group's registration or program materials.
 - a) **Not-for-profit** rental groups should refer to the district's online "e-Folder" at www.ipdsd.org for electronic distribution rules and procedures.
 - b) **For-profit** rental companies have the option of paying a marketing fee to post a flyer on a school's website. See the Building Rental section of the district's website at www.ipdsd.org/Subpage.aspx/BuildingRentals for electronic rules and procedures.

It may take up to 10 days to process before advertising can begin. Please plan your rental dates accordingly.

- 13) Unless there are unique circumstances beyond the control of the renter, you will be charged appropriate fees for each day listed on the Confirmed reservation.
- 14) **Cancellation** of a **specific date or part thereof** must take place no less than seven (7) days prior to the event date. **Written notice** should be emailed (204-buildingrentals@ipdsd.org) or faxed (630-978-5200) to the District Building Rental Secretary at the Crouse Education Center. **Please reference your Reservation number.**

If less than 7 days **written notice**, the Renter will be responsible for cost of booked rooms and for personnel scheduled to support the Confirmed event.

Please note: District offices are closed on December 22, 2020 - January 1, 2021. Please plan accordingly during this period to allow adequate time for rental requests and change requests for dates in January.

- 15) School District 204 events (Category A1, A2, A3) have priority over categories B, C, D. The District reserves the right to reject, cancel, or reschedule any building rental in the best interest of the school district.

- 16) Due to liability concerns, Indian Prairie School District needs to provide snow removal services for our parking lots, drives and/or sidewalks when our facilities are being used. In most cases, this service begins when the snow event has ended. However, if Indian Prairie School District determines that snow removal services are needed, for your event, charges for plowing and/or de-icing will be charged to the rental group.

For weather related purposes, groups have the option of cancelling their event, no later than twenty-four (24) hours prior to the scheduled starting time. This is to be done both by email: 204-buildingrentals@ipsd.org and by calling 630-375-3073. **In this case only**, cancellation fees will **not** be charged to the group.

17) Invoicing:

- a) All personnel charges shown on the Confirmation permit are estimates. A final invoice will reflect the personnel charges determined by actual timesheets. Events with custodial charges will be billed once actual charges are received. This may be 4-6 weeks after the event.
- b) Sport groups and other multiple date groups will be invoiced midway and at the end of the reservation.
- c) Church groups will be invoiced periodically.
- d) Payment is due in 30 days. **A Second Notice will include a \$25 Late Fee.** After no response to a Second Notice, the debt is transferred to our Collection Agency. Any open rentals are canceled and no future requests will be processed for the requester (neither person nor organization) until all delinquent invoices, fees and collection costs have been remitted to the District.

The plan must be clearly articulated in writing to the Renter's immediate supervisor. It must include appropriate behavioral expectations and adequate consequences to protect both the safety of participants, attendees, and school property.

As needed, rental groups may be asked for a copy of the supervisory plan. Failure to provide a copy may result in loss of use of the facility.

In order to properly account for students, a school may require an emailed Roster prior to each booking date in their building.

Typically, when a supervision problem occurs, a building administrator or his/her designee will contact the renter to discuss the problem and its resolution. Repetition may lead to contact from Building Operations personnel, which may result in termination of the contract.

- 9) Payment for damage to school district property caused by the renter will be the responsibility of the renter on the Application form. Charges may include payment for both materials and labor necessary for repair or replacement costs. Use of facilities may be terminated if restitution is not made within a reasonable amount of time.
