ENCORE SUPPLIES

Any additional supplies needed for encore classes will be shared the first week with your student.

CALCULATORS

*Graphing calculator TI84 plus is used by students enrolled in 6th grade PA math (optional), 7th grade accelerated math (optional), 7th grade PA math (required) , 8th grade accelerated math (required), and 8th grade PA math(required).

*Scientific Texas Instrument Calculator - TI-30 XIIS calculator is needed for all other math classes.

EARBUDS

Earbuds are required for ALL students. Earbuds wired (while wireless earbuds can be connected via Bluetooth to our student Chromebooks, we highly recommend a wired pair standard jack/not lightning connection) due to the need for that type in the computer labs as well as Standardized Testing. **Earbuds should remain at school.**

ASSIGNMENT NOTEBOOKS

All students will be issued a free assignment notebook the first week of class.

ATHLETIC TEAM TRYOUT REQUIREMENTS

7th & 8th grade students may only tryout for athletic teams if they have a current sports physical on file (less than one year old). Athletic fees are charged per sport at \$125 each when the student makes the team. The maximum charge is \$250, regardless of the number of sports in which the student is involved. It is also required that parents provide proof of medical insurance or sign an insurance waiver.
