

# Boundary Team Information

July 7, 2021

## Item 1.

### Boundary Team Intent

Some schools are experiencing utilization concerns which require an investigation/analysis to determine how to improve student allocation, as well as maintaining equitable student experience and/or educational programming at each school.

## Item 2.

### Guiding Principles

The future boundary should...

- Ensure equitable experience.
- Work toward the district's long-range planning.
- Anticipate future change in neighborhoods.
- Continue to utilize all available resources.
- Focus on all grade levels.

## Item 3.

### Board Criteria

The Board prioritized...

1. Demographic Considerations (*received 12 votes*)
2. Neighborhoods Intact (*received 11 votes*)
3. Fiscal Consideration Capital (*received 5 votes*)
3. Projected Building Utilization (*received 5 votes*)
